## H'wood action directors Kenny Bates and Peng Zhang up the action stakes in Saaho

**SUJEETH**  
I wanted the best guys for the job (to design the action sequences) and have always admired the work of Kenny and Peng. The action scenes in Saaho will set a new benchmark in Indian cinema

**W**ith just a month to go for its release, the cast and crew of Saaho are in action mode as director Sujeeth is racing against time to wrap up the film's climax shoot. Recently, the eight-minute action sequence was shot on a specially created 10-acre desert in Abu Dhabi. Peng Zhang, known for Hollywood biggies like Rush Hour, designed the episode that saw Prabhas take on 100 international fighters. Now, the team flew to Italy to film another pivotal action scene. An excited Sujeeth reveals that renowned action director Kenny Bates, known for his work in big-budget Hollywood films like Mission Impossible: Ghost Protocol, The Italian Job and the Transformers franchise, has given the action sequences a complete facelift.  
"Kenny is filming two to three key action sequences in the film. The scenes will appear at a key moment in the film

and will involve Prabhas and Shraddha Kapoor," shares Sujeeth, adding, "I wanted the best guys for the job (to design the action sequences) and have always admired the work of Kenny and Peng. I went to them fully prepared, with a story-board in place. When they heard the story and the vision I had in mind for the action scenes, they agreed to come on board. The action scenes in Saaho will set a new benchmark in Indian cinema."
