CREATIVE MINDS BRING OUT THEIR BEST

TIMES NIE COLOUR SPLASH IS BEING HELD IN ASSOCIATION WITH HYDERABAD NEXT GALLERIA MALLS

BY ANKITA RATH

It is rightly said that 'paintings are the best form of expression,' as the same could be witnessed at the Hyderabad Next Galleria Mall, Hitec City where Times NIE Colour Splash 2020 was held on Tuesday.

Times NIE Colour Splash, one of the biggest painting competitions of the year, is being held in association with Hyderabad Next Galleria Malls at all the four locations of the mall this year. More than 250 students from around 25 schools poured in to showcase their talent on the first day of the event. Tarab Khan, one of the finest artists of the country, graced the event as the chief guest.

The venue transformed into a creative space as young budding artists participated in the competition with much enthusiasm to create magic on the canvas with their stroke of imagination.

The competition was held in two categories, juniors (class IV-VII) and seniors (class VIII-XII). The junior category had two sub-categories of Crayons and Watercolours

while the senior category had the sub-categories of Abstract and Watercolours. The participants were judged on the relevance of their paintings to each category. The theme for the painting competition was announced on the spot following which the little Picassos and Leonardo da Vincis in the house got busy with their canvas and colours to deliver their best. After an hour of working with their brushes, they successfully presented their masterpiece.

As per the format of the competition, 20 participants each from Junior and Senior categories were shortlisted for the Grand Finale which will be held on January 26, Sunday at Hyderabad Next Galleria Mall, Irrum Manzil.

Tarab Khan reviewed the artworks of the students and selected the finalists based on creativity and uniqueness of the paintings.

The chief guest along with Pardhu Pokala, senior operation manager, Hyderabad Next Galleria Mall, Hitec City, gave away the ticket to the finale to the shortlisted participants.

It was very competitive experience and there was a lot to learn. The event put me on my toes. I felt that a little more time could have been given because one hour was less to display such a broad topic.
