

# Nicki Minaj accused of being a 'deceiver' and 'manipulator'

WORLD RAP

Nicki Minaj, who recently collaborated with rapper Trina on the song *BAPS*, has been slammed by the latter's Artists and Repertoire (A&R) rep for being a "deceiver" and "manipulator".

Trina's A&R Reginald Saunders spoke about their unpleasant experience with the *Megatron* artiste on Instagram. "I want to address the issue so bad about this #BAPS record and video and it's taking everything inside of me to remain quiet," he wrote online, adding, "This isn't the first time @nickiminaj has pulled this stunt and trust me it's not cool. I can't get over how fake people

can be for a Lil fame, likes and followers. when everyone tried to warn me I still gave her the benefit of the doubt (sic)."

"I can't wait to see how all of this is about to play out because you can't stop karmas reign, shame on you," he added. "I mostly feel sorry for the #barbs because they have no clue of the deceiver and manipulator their leader is."

Nicki's fans refer to themselves as 'barbs'. Nicki is yet to respond to the claims, but according to a website, the post might be with reference to the attention that Nicki has been giving to her collaboration with Megan Thee Stallion over Trina's.

# Sarah got fired from movie due to old blackface sketch

Agencies Sarah Silverman

Actor Sarah Silverman says she was recently fired from a film, after a 2007 sketch from an episode of *The Sarah Silverman Program*, featuring her in blackface, resurfaced. "I recently was going to do a movie, a sweet part. Then at 11 pm the night before, they fired me because they saw a picture of me in blackface from that episode. I didn't fight it," Sarah said and added, "They hired someone else who's wonderful but who has never stuck their neck out.

It was so disheartening. It just made me real real sad, because I really kind of devoted my life to making it right."

She continued, "It's ok to let go, but to hold that person accountable if they've changed with the times, like for me... I held myself accountable. I can't erase that I did that, but I can only be changed forever and do what I can to make it right for the rest of my life." The sitcom ran for three seasons from 2007 to 2010.
